

## NIRVANA

La magia della natura nel creare e modificare ad arte gli elementi che la compongono. Ed è dall'idea del legno, sottoposto all'essiccamento al sole, che nasce il concept creativo di Nirvana. Versatile nell'impiego, è indicato sia per le pavimentazioni che per i rivestimenti, sia per ambienti residenziali che pubblici. Innovativo ed attuale, dal gusto vintage, introduce in Faenza un nuovo concept di ceramica ad effetto legno, dove l'eleganza risiede nei contrasti dei toni audaci e la forza nella grande caratterizzazione del prodotto.

The magic of nature and its ability to create and change its compositional elements was our inspiration. Nirvana's creative concept began with the idea of wood dried by the sun. Nirvana is available in 3 formats - 60x180, 20x180 and 20x120 - which share the lengthened shape to recall the wooden boards that inspired it. It is extremely versatile, both for floorings and facings and residential and public spaces. Innovative and contemporary, with a vintage feel, Nirvana introduces to the Faenza range a new concept of wood-effect tiles, whose elegance lies in the contrasts of the bold hues and the unique character of the product.
