STONE LOOK

Mystone Quarzite

Un nuovo gres che si ispira alla pietra naturale quarzite nera. Una collezione dall'aspetto quasi brillante, molto fedele alla fonte di riferimento sia nelle colorazioni - Black e Platinum - sia nella superficie corposa e ricca di sfumature. Declinata in 4 formati, tra cui l'ampio 60x120, e disponibile nelle varianti naturale, strutturato e 20mm, Mystone Quarzite si completa con 2 decori a mosaico nei formati 30x30 e 30x60.

A new stoneware inspired by natural black quartzite stone. A collection with an almost shiny look, accurately reproducing the inspiration material, in both colours - Black and Platinum - and in the depth of its surface, with its wealth of shade variation. Available in 4 sizes, including the large 60x120 cm, and in the natural, structure and 20 mm variants, Mystone Quarzite is completed by 2 mosaic decors in the 30x30 cm and 30x60 cm sizes.

Un grès nouveau inspiré d'une pierre naturelle, le quartzite noir. Une collection qui donne presque une impression de brillance, extrêmement fidèle à la source d'inspiration, aussi bien au niveau des couleurs - Black et Platinum - qu'à celui de la texture dense et pleine de dégradés. Déclinée en quatre formats, y compris le grand format 60x120 cm, et disponible dans les finitions mate, structurée et 20 mm, la collection MyStone Quarzite compte aussi deux décorations en mosaïques 30x30 cm et 30x60 cm.

Das neue Feinsteinzeug ist von schwarzem Quarzitgestein inspiriert. Die Kollektion mit der beinah glänzenden Oberfläche bleibt ihrer Materialvorlage treu, sowohl farblich - Black und Platinum - als auch in der kompakten, nuancenreichen Textur. Mystone Quarzite wird in vier Formaten - darunter das Großformat 60x120 cm - in den Varianten natürlich, reliefiert und 20 mm geboten und durch die zwei Mosaikdekore 30x30 cm und 30x60 cm abgerundet.

Un nuevo gres que se inspira en una piedra natural, la cuarcita negra. Una colección de aspecto casi brillante, muy fiel a la fuente de inspiración, tanto en las coloraciones, Black y Platinum, como en la superficie, consistente y llena de matices. Articulada en cuatro formatos, entre ellos el amplio de 60 x 120 cm, y disponible en las variantes mate, estructurada y de 20 mm de grosor, Mystone Quarzite se ve completada con dos decoraciones de mosaico en los formatos de 30 x 30 cm y de 30 x 60 cm.

Этот новый керамогранит черпает вдохновение в натуральном камне - черном кварците. Почти что полированный вид коллекции очень точно воспроизводит первоисточник, как в плане цветов - Black и Platinum, так и в плане отделки плотной и богатой оттенками поверхности. Mystone Quarzite предлагается 4 форматах, в том числе 60x120 см, в натуральном или структурированном варианте или с толщиной 20мм. Коллекция пополняется 2 мозаичными декорами в форматах 30x30 и 30x60 см.
